Mercedes-Benz Chicagoland Newsletter

Saturday, December 7, 2019

Dear Chicagoland MBCA members,

As 2019 year comes to a close, I wanted to briefly reflect on our past year of activities and accomplishments.

2019 was a very active year. We had a record number of events and activities that were attended by our members. We created additional relationships with some of our local Mercedes Benz Franchised Dealerships and sponsoring member businesses. We definitely increased the momentum of the club and will continue to maintain it into the 2020 club season. I wanted to give a big "Thank You" to our Officers and Board members for sacrificing a lot of their personal time to organize a very successful year.

Going forward we always like suggestions from our members of events of interest they might want to spearhead for the club. Feel free to contact any of the Officers or Board members (Chicagoland.mbca.org) with your suggestions.

I wish you all Happy Holidays and a successful New Year.

I hope that everyone had the most enjoyable of Holiday Seasons, and I hope that you watch out for our E-mail blasts for upcoming events, Best Wishes, Nick Iacullo

On October 25-27th, 48 members of the Chicago, Iowa Hawkeye, Minnesota and Wisconsin Sections, drove their 32 prized possessions to Lacrosse Wisconsin for the Fall Color Tour to explore Southwestern Wisconsin as it borders the Mississippi. It was a great weekend of Mercedes, beautiful views, friendship and food. A great time was had by all.

On November 8th, 2019 members of MBCA came together to celebrate the legacy of Bill Knauz his many years of dedication to the club and as a Mercedes Dealer of highest honor. We celebrated with him at his favorite restaurant in Lake Forest, where we gave him a plaque to celebrate his lifetime of achievements.

MBCA Holiday Party at Union League Club of Chicago was the location for our Holiday Party November 2019.

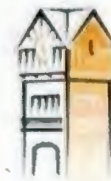

It was a beautiful evening of food music and friendship to celebrate the upcoming Holidays and remembrance of a great year of events with the Mercedes-Benz club.

It's not just about storage.
